Take a Quick Tour

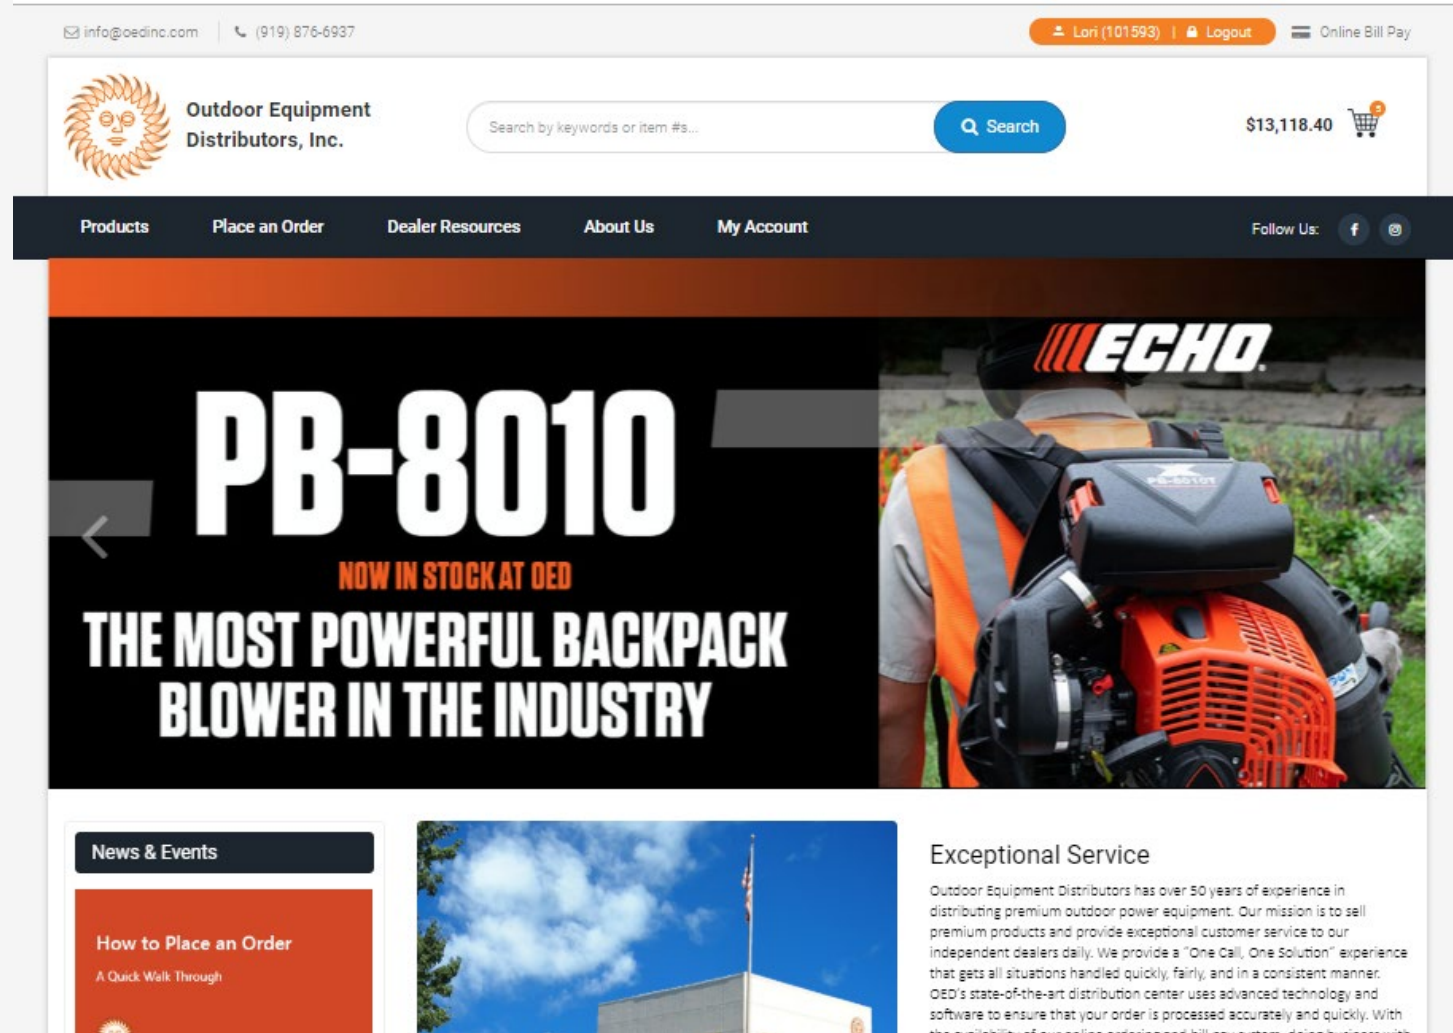

Welcome to the New OED Website

OED is pleased to launch our new website that will make doing business with OED even easier. You now only have to keep track of one login and password to access everything on the OED site. New features include:

- Ability to narrow down your product searches with helpful suggestions to target exactly what you need
- Ability for OED's Customer Service Dept. to assist you in adding an item to your cart while you are on the phone together
- Ability to Web Chat if a problem arises (available during normal business hours)
- Access to dealer programs, price lists and other marketing materials for the product lines you carry without you having to remember any additional passwords
- Pop up screens to let you know when a dealer program has been updated, service school dates have been announced or a new product has been launched

Helpful Shortcuts

OED's home page contains a wealth of information at a glance so you can instantly get to where you need to go and accomplish what you need to do in the most efficient manner possible.

- Dealer Login
- Online Bill Pay
- Quantity and dollar amount of items currently in your shopping cart
- Search bar to locate a specific item by keyword or part number
- Access to all the resources available for the product lines you carry under "Dealer Resources"
- Access to all your account information under "My Account"

The screenshot shows the top portion of the OED website. At the top right, there is a user profile section with the name "Lori (101593)", a "Logout" button, and a link to "Online Bill Pay". Below this is the main header area containing the OED logo, the text "Outdoor Equipment Distributors, Inc.", a search bar with the placeholder text "Search by keywords or item #s..." and a blue "Search" button, and a shopping cart icon displaying "\$13,118.40". The navigation bar below the header includes links for "Products", "Place an Order", "Dealer Resources", "About Us", and "My Account". The "Dealer Resources" and "My Account" links are highlighted with red boxes. At the bottom of the screenshot, there is a banner image of two orange blowers, one labeled "X3000 BLOWER" and the other "Z3000 BLOWER", with the "BILLY GOAT" logo on the right.

Dealer Resources aka Customer Resources

Dealer Resources are broken down by product line. You will have access to those products lines that you are authorized to sell. The "OED", "ECHO Bear Cat" and "Other Products" resources are available to all dealers.

- OED (policies and terms of sale, website help)
- ECHO
- Shindaiwa
- ECHO Bear Cat
- Wright
- Billy Goat
- Other Products (58V Cordless, Brown Products, Velke/Grass Gobbler, Vortexx and K-100)

Each product line is further broken down by categories to help you find what you need quickly:

- Bulletins (product introductions, specials)
- Dealer Programs / Price Lists
- Financing (the latest retail finance programs available)
- Forms (claim forms where applicable)
- Helpful Links (mfg. websites)
- Marketing (hang tags, pocket guides, etc.)

Creating a New User Account

OED recommends that each person at your dealership has his or her own login and password. We also recommend that at least one person at the dealership become a “Super User” who can oversee all the other users. This is beneficial in case a “User” forgets their password or if a change in personnel occurs and a user needs to be removed. The Super User can also restrict the information that each User can see – e.g. statements, invoices, etc.

To create a new account, please refer to the *“How to Set Up a New User Account”* guide. Once you’ve set up your account, we hope that you spend some time touring the site. We welcome any input on site improvements; however, we cannot guarantee we will be able to implement them.

When you’re ready to **place your first order**, refer to the *“How to Place an Order”* guide.

When you’re ready to make your first **online payment**, refer to the *“How to Pay Online”* guide.

All of OED’s website guides can be found under OED Resources.
